

Group work feedback

Develop feedback in 4 groups:

Group 1	1. Ms. Müller realizes that her colleague Mr. Schulze has been late for work for weeks. She gives him feedback. 2. Mr. Mayer works together with Ms. Neu in an office. He dislikes the intrusive perfume at 7:00 a.m. He gives feedback. Find an example yourself
Group 2	1. Petra (17) feels unnoticed by her grandmother. She only has eyes for her little brother Lukas (6). Petra gives feedback. 2. Petra's new friend Johann stays overnight with Petra and her parents all the time. In the morning he empties the refrigerator and even takes a snack with him for work. Petra's mother gives feedback Find an example yourself
Group 3	1. Elke and Ben live in a shared apartment with Ute. They constantly take care of the cleanliness in the bathroom and kitchen. Ute, on the other hand, is pretty lazy and doesn't care about anything. Elke and Ben give feedback. 2. Loud parties are constantly taking place in the flat next to the flat share. However, the three residents have to prepare for their physics and need rest. You give feedback to the neighbor Jan. Find an example yourself
Group 4	1. Professor Ulrich is a "gossip aunt". She talks about everything and everyone and "knows her way around". One of the victims is Prof. Ehrenreich, whose teaching methods are talked about badly. He gives feedback. 2. A professor should be present at the university four days a week. However, Prof. Wilke is only in the house for one day. That's why he never takes on administrative tasks. The dean gives feedback. Find an example yourself

Please work out the feedback (25 min) and present.
