

Questions on the topic „Culture“

Please create a chart and present it in the plenary session.

Group 1

1. When did you notice cultural differences for the first time?
2. Do you remember a situation when you felt like a stranger?
3. What does the word „Culture“ mean to you?
4. What, in your opinion, makes life in Germany difficult? How are these difficulties connected to culture?

Group 2

5. It is said that culture changes. Can you think of an example? In which situations in a person's life are these customs most obvious?
6. What, in your opinion, makes life in Germany easy? How are these aspects connected to culture?
7. Do you remember a situation in which you felt misunderstood and attributed this to cultural differences?
8. Where is the connection between values, norms and culture?

Group 3

9. Why are you interested in the issue of „cultural communication“?
10. If you are asked about your cultural identity, which words come to mind?
11. Do you have friends with other cultural backgrounds?
12. What do you associate with the word „Leitkultur“?

Group 4

13. Which cultures are „strange“ in your opinion?
14. Which cultures are familiar to you?
15. What is the most interesting question concerning the topic „culture“ for you?

16. Do you remember a situation, in which you felt understood without a mutual language?
